

EMPIRE RMX SERIES

The EMPIRE RMX cabinet powered mixer line offers exceptional power, flexible routing and rugged portability to conquer any live sound application. Whether for band rehearsals, nightclub systems or houses-of-worship, EMPIRE RMX mixers can achieve up to 2,000 watts of class D power in either tabletop or cabinet style designs, have ample headroom to handle extremely dynamic source material, and are tough enough to withstand the abuse of the most demanding applications.

RMX2408 DFX
